

EO 2023 application Kine Eimhjellen

Judging CV

I have been active in agility since 2003, when I was 11 years old and started to run agility with my Flat-Coated Retriever. I fell in love with the sport and never stopped loving it. I have since been on the national team, travelled around Europe to compete, seen a lot of great agility and met a lot of great agility people. Course design and judging is for me taking agility to another level. In my course design I want to see and explore what I love in the sport. Skills, dogs finding the lines, handlers and dogs trusting each other's skills. I want to develop the sport, offer new challenges, and help build extraordinary teams.

My wife and I live at a farm south in Norway with our three dogs, two border collies and one working cocker spaniel. We just built an agility hall and would love for it to give some new energy for agility both in the local area but also national.

- Graduated FCI judge in 2019.
- One of Norway's most used judges in 2021.

Have judged:

NO-Dalen, 2020 & 2021

Italy, Rome, A.s.d Sport Dogs Nomentum, 2019
